Join **Dr. Mel Pinel** for this **30-minute live webcast** on **Credelio Quattro®** to explore vector-borne disease, key gaps in parasite protection, and the new monthly chewable that provides broad-spectrum against fleas, ticks, heartworms, lungworms, roundworms, hookworms, and zoonotic tapeworms. With More in One™, Credelio Quattro addresses critical gaps in canine wellness by delivering broad-spectrum parasite protection in a single monthly chew. Be among the first to know about Credelio Quattro in Canada and what this innovation could mean for your practice.
