Ear infections were the most common condition reported in dogs, as per the 2024 Canadian Animal Health Institute (CAHI) Pet Owner Survey¹. This Vetquinol Product Spotlight offers practical tips and strategies to help manage otitis externa in your practice. It also highlights the key features and benefits of Simplera®, Vetquinol's newest solution for otitis externa. **Simplify otitis externa care with Simplera®: easy, long-lasting, designed specifically for dogs, and proudly made in Canada – domestic and imported content.**
