Frustrated with itch in your canine patients?
Discover the power of Zenrelia!

Join us for an engaging presentation with a
leading dermatologist as they share their
firsthand experience with Zenrelia. Learn
how Zenrelia can improve your patients'
quality of life by providing effective itch relief!

Zenrelia™

Dermatologist
Presenting:

Dr. Anthony Yu

BSc, DVM, MSc, Dipl. ACVD

Dr. Melanie Pinel, Veterinary Technical
Consultant for Elanco Animal Health will
also provide a short overview of Zenrelia

Bio:

Dr. Yu completed his DVM at the Ontario Veterinary College (OVC) in 1990. After finishing a residency and MSc. in 1995 at Auburn University, Alabama, in the USA, he became a Diplomate of the American College of Veterinary Dermatology in 1996. He started the first private dermatology referral practice in Oregon where he dealt with chronic ear, skin, and allergic conditions in dogs, cats, and horses for 11 years. He then returned to the OVC as an Associate Professor in Veterinary Dermatology in 2004. As of 2013, Dr. Yu is back in private referral practice at the Veterinary Allergy Dermatology & Ear Referral Clinic (VADER) in Southwestern Ontario. He has lectured extensively and authored and guest-edited several publications in canine, feline, and equine journals, and veterinary textbooks.
